

A vibrant, celebratory background for Eid Morning. At the bottom, a large, bright sun with rays of light in shades of yellow, orange, and pink rises above a layer of soft, white clouds. The sky transitions from a warm orange near the horizon to a clear blue at the top. Scattered throughout the sky are several five-pointed stars in yellow, orange, and light blue. Along the left and right edges, colorful streamers in shades of blue, orange, and yellow swirl upwards. Interspersed among the streamers are various hanging decorations: yellow lanterns with orange light, blue lanterns with orange light, and stars in yellow, orange, and light blue. The overall atmosphere is festive and joyful.
