

Dates at Iftar

**At iftar, there were dates
on the table.**

Ali picked up two dates.

His sister said, “The Prophet ﷺ ate an odd number of dates.”

صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ

Ali smiled, ate one more date, and shared the other.

**Eating Sunnah and sharing
brings barakah.**

**How many dates will you
eat today?**
