

# Patience Before Maghrib

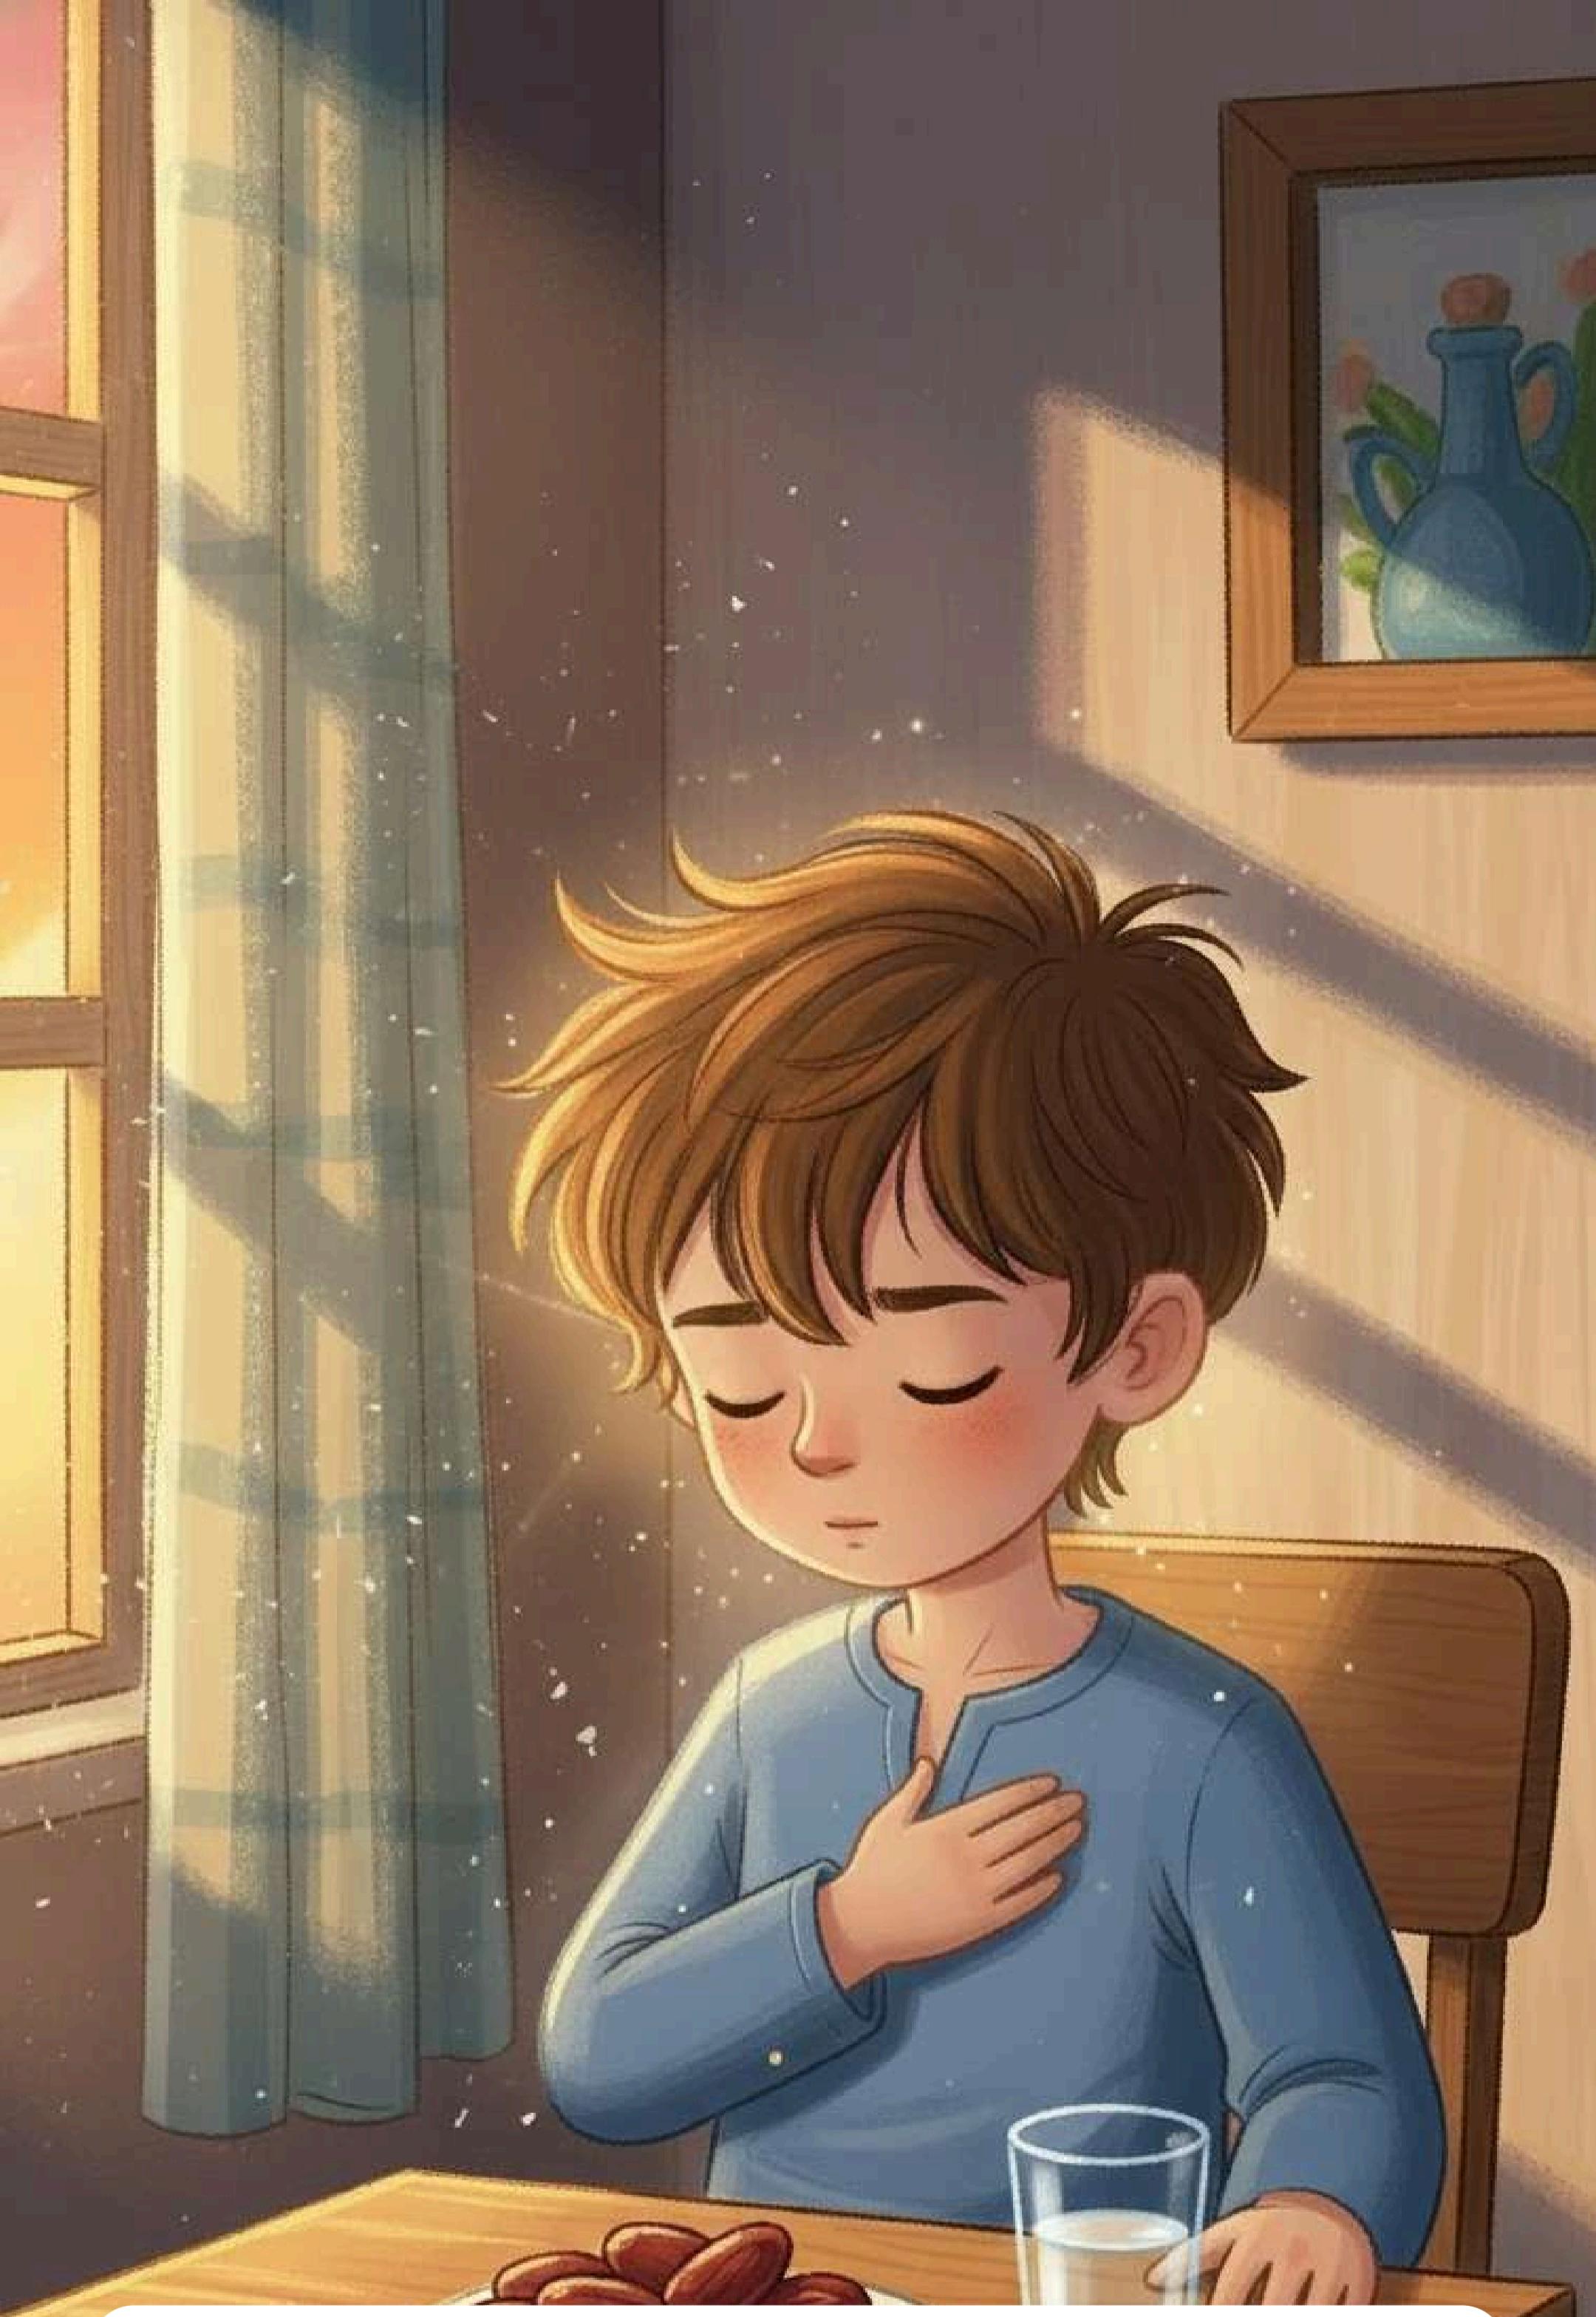

**Sami was very hungry  
before iftar.**

**He wanted to rush to food.**

**He remembered Allah sees  
his patience.**

**He waited calmly.**

**Patience makes the heart  
strong.**

The background features a vast desert landscape under a sky filled with warm, orange and yellow clouds at sunset. In the foreground, there is a simple wooden table with a bowl of dates on it.

**When can you show  
patience today?**
